The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “Nondiscrimination on the Basis of Sex in Educational Programs or Activities Receiving Federal Financial Assistance.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on April 27, 2022 (87 FR 25053).

1. *The title of the information collection:* Nondiscrimination on the Basis of Sex in Educational Programs or Activities Receiving Federal Financial Assistance.
2. *OMB approval number:* 3150-0209.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Annually.

6. *Who will be required or asked to respond:* All recipients that receive Federal financial assistance from the NRC.

7. *The estimated number of annual responses:* 600.

8. *The estimated number of annual respondents:* 200.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 2,050.

10. *Abstract:* The regulations under part 5 of title 10 of the *Code of Federal Regulations* implement the provisions of Title IX of the Education Amendments of 1972, as amended, except section 904 and 906 of those amendments (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688 and *Baystock v. Clayton County, Georgia* under Title VII of the Civil Rights Act of 1964, 42 U.S.C. 2000e et seq., 140 S. Ct. 1731, 1741, 590 U.S.). The provisions are designed to eliminate, with certain exceptions, discrimination on the basis of sex in any education program or activity receiving Federal financial assistance (FFA), whether or not such program or activity is offered or sponsored by an educational institution as defined in the Title IX regulations. Except as provided in §§ 5.205 through 5.235(a), the Title IX regulations apply to every recipient and to each education program or activity operated by the recipient that receives FFA from the NRC.

Dated: August 16, 2022.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
